

## Hot Tub requirements

Dear Guest,

The Hot Tub will be prepared especially for you and your party on your arrival. The Hot-Tub may not be at optimal temperature, due to draining, cleaning, sanitisation and the rebalancing that has been carried out prior to your arrival.

To ensure it remains clean and sparkling there are certain requirements that you and your party must address.

1. Everyone must observe the Hot Tub rules near the Hot Tub.
2. You MUST shower before use, to remove all fake tan, make up and body lotions otherwise the water will look like a pond very quickly!
3. MAXIMUM bathing time is 15 minutes otherwise your skin/health will suffer if you stay in any longer.
4. Please respect the Hot Tub, no drinking/smoking or fooling around whilst in the Hot Tub.
5. At the end of your session in the Hot Tub please refill to the required level to ensure it continues to filter and heat and please replace the chlorine float back inside the Hot Tub.
6. Allow access daily for cleaning/water testing and maintenance.
7. Hot Tubs are not required for children so I recommend that they do not use them but as their parent/guardian the decision is yours.
8. Please can you sign and date these requirements and return one of the copies and return to me in the pre-paid envelope. If the Hot Tub becomes unusable during your holiday break due to

negligence, a charge of £100 will be levied against your security deposit. This will cover a call out charge, cost of emptying, cleaning, refilling with water, chemicals and reheating it.
